# Village Weekly

MORE WEEKLY, MORE 😊

## THIS WEEK'S NEWS

This week, a teacher came to visit the 5/6 grade to do a one week demo for the class. The demo was about geology. The students seemed to like the class.

Ms. Hamilton has not been teaching this week because she had to leave town due to a family emergency.

Handwork class on Tuesday was cancelled because Ms. Lawson was feeling ill.

Henry, the Alpaca who lives in the farm at Tierra del Sol, got into a fight with the horse and the donkey. He was angry because the horse and donkey broke through the fence into his stall and ate his grass. He spat at them but they didn't mind. He had been in a bad mood all day. He was eventually calmed down by the staff of Tierra del Sol.
